Good Afternoon Muniza,

Thank you for your generous donation of tents for our 9th Annual BBQ and Carwash. Through supporters like you the Knights Table is able to provide food and other services to hundreds of individuals and families that need our assistance throughout the year.

Many of the volunteers and donors go out of their way to help make the Knights Table achieve its goal in helping to alleviate poverty in Peel. Through your generous donation we are able to thank and award these people for their assistance. We could not aid many people facing difficulties in our community if it were not for people like you! Thank you.

We value your donation and kind support and look forward to your continued contribution in 2017.

Once again, thank you for impacting lives and being the difference in our community.

Best wishes for much success.

Sincerely,

Suen Clarke
Special Events Coordinator
